“What a fantastic, soul-stirring, eye-opening event!! I wouldn’t change anything you presented. It was very well put together. Thanks to all who contributed their time in putting this together and to all who were a part of it!! God bless you all!”

Pastor’s wife: “I learned a lot & the testimonies touched my heart. Thank you for helping me begin to understand & have compassion on those that have gone through this experience. “

“It was hard to see the cardboard testimonies. Next time have them hold them up higher.”

Pastor: “Very informative, challenging. Great testimonies—make the issues very real.” To pastors at the Dinuba Ministerial Assoc. Mtg 11/9: “The testimonies really spoke to me. It was really worth it.”

Pastor: “Wonderful.”

“This was life changing!”

Pastor: ”Thanks for the men’s panel. Please have more information & materials, ie Bible Studies, videos, brochures etc for men. A. Pre-abortive, B. Post abortive then... \*Have a conference for men! (serve meat! Lol).” To pastors at the Dinuba Ministerial Assoc. Mtg. 11/9: “I highly recommend that you go. The ballet was amazing. The only negative thing was I didn’t have a box of tissues! Dr. Reardon and Dr. Khouzam were amazing. Great insight to help post-abortive men and women. We can no longer make believe that abortion doesn’t hurt women.”

IRMA: “Excellent. Went beyond my expectations.”

IRMA: “Dr. Khouzam was excellent. Very good speaker. Table layout [arrangement of tables] was very nice and conducive to learning.”

LCSW: “Excellent! Great job! Thank-you for the invite. Thank-you both personally & professionally. May God bless the ministry of the IRMA Network ☺.”

“I have been so blessed to be a part & to come to a place (gathering) to talk about such deep & sensitive issues—It’s truly been amazing to see the improvement in my own emotional health—I noticed a marked improvement to what even a couple of years ago—Thankful for all of your (TKRL’s) years of service—diligence and thoughtfulness—it completely shines in this event and all the ones you put on. Thank you!”

“Dr. Khouzam—Outstanding—Cream of the Cream—Spell Bound—Inspirational”

“Very Good day! The LORD spoke to my heart! Wow! Great Job.”

“AWESOME, THANKS. The only thing I would do different is have either no music or very quiet background music so lunch time conversations would be easier.”

“It was very well done and informative. So glad to see leaders present. Great having the meetings set up so you don’t miss any sessions.”

“Very well-done. Great info. Ballet was wonderfully done.”

“I would like to hear more from Dr. Hani R. Khouzam. He was such a blessing to me & very informative.”
